Structure

Bushton, Capt. Wm, House
(First Frame House) (CAL-1535)

History: Erected in 1847 by Captain Wm. Bushton from prefabricated cut and matched boards and timbers carried in hold of his ship from Australia. All joints in entire structure were mortised. Bushton had been a carpenter by trade, from New Bedford, but turned trader and spent five years on high seas without reporting to owners. After his death Mrs. Bushton married Thomas E. Allen and after his death Jacob Krampner. Five generations of
(Over)

Allen family were born here before demolished in 1924.

Description: Two-story with one-story wing, wood frame and clapboard siding with shingle gable roof. 12-light DH windows at first story and 6-light at second. Simple and austere in detail. Six windows across front at 2nd story with two doors and four windows at first story.
